

Hindustan Construction Company Ltd.

DMRC DC-06 Project, New Delhi

HCC is a pioneer in India's infrastructure industry, having executed landmark projects that have defined the country's progress since 1926. Maintaining our legacy of innovation in engineering and construction, we continue to add new milestones with every passing year, building world-class infrastructure and creating new opportunities for everyone. HCC has a long-standing commitment to creating responsible infrastructure. Sustainability is an integral part of our approach to business and work practices.

HCC's vision is to be the industry leader and a market driven engineering construction company renowned for excellence, quality, performance and reliability in all types of construction and to Continually innovate, develop and adopt state-of-the-art technologies, methodologies and materials to deliver customer satisfaction through better, faster and cheaper construction services.

At HCC, paramount importance is given to safety at every juncture, every step of the way. The company advocates efforts to achieve 'ZERO reportable injuries' at each work front. HCC has undertaken the Proactive Safety Observation Programme (PSOP) which has brought about a paradigm shift in the way safety is observed at all project sites. Going one step further, the company has added a new dimension to its safety programme by introducing the Behaviour-based Safety Programme.

We take pride in our work and strive for excellence, leading to results that speak of quality. We integrate three quality management systems, viz. International standards for Quality (ISO 9001), Occupational Health & Safety (OHSAS 18001) and Environment (ISO 14001), into all our activities starting from marketing to handing over of projects. We possess ISO certificate of ISO9001, ISO 14001 and OHSAS as granted by TUV Nord.

HCC's commitment to 'Responsible Infrastructure' has stood the test of time, with social commitment and environmental responsibility being an integral business goal. We go beyond business, fulfilling our duty as a responsible corporate citizen. We consistently work towards improving the quality of life of the communities we serve, be it our organisation, the industry as a whole, or society at large.
